Mr. Kempiah.—It is requested that the officials of the taluk office at Seringapatam may be permitted to draw malnad allowances like the Amildar.

Dewan.—Noted.

SUBJECT No. 328.

Grant of malnad allowance to the taluk officials at Seringapatam.

Mr. Kempiah, Seringapatam Municipality.

Mr. Siddalinga Setty.—Toll is being recovered on carts in all the four toll gates on the Yedatore-Mysore road. This may be discontinued as it causes loss to the cartmen and it may be ordered that toll should be recovered at one toll gate only.

Dewan.—A report will be called for from the Revenue Commissioner.

SUBJECT No. 329.

Levy of tax on carts only in one toll gate instead of at four gates in the Yedatore-Mysore road.

Mr. Bale Siddalinga Setty, Yedatore Taluk.

Mr. Thimmegowda.—This subject is being discussed for the past 15 years in the Taluk and District Boards. When the subject was mooted last, Sir M. Visvesvaraya the then Dewan, said that if we constructed a building a hospital would be granted. I promised to construct a building and got estimates prepared and collected materials. But nothing has been done till now. This place is situated 26 miles from Channarayapatna and 26 miles from Turuvekere. This is a village of considerable population. I shall give a separate building for the hospital and request that a Dispensary might be provided.

Second Member of Council.—This proposal will be considered.

SUBJECT No. 330.

Opening of a Local Fund Dispensary at Bellur.

Messrs. Thimmegowda and Gangappa, Nagamangala Taluk.
